(The phone numbers above may be used in case of emergency to contact a student in a class.)

Cost: Free

Instructor: Charlotte Claybrooke, WSDOT Safe Routes to School Coordinator

Target Audience

School districts, local public works transportation partners and law enforcement.

Course Description

This course was developed to provide information about the Safe Routes to School Program. There is an emphasis on the importance of partnerships and planning. Participants are engaged through lecture and discussion.

Objective

To develop an understanding of how communities can work together to plan for a Safe Routes to School project that will improve safety and health of students, and increase walking and biking to school.

Registration

Please register using this link: [On-Line Registration](http://fmapps.wsdot.wa.gov/tbase_registration/). Or you can key this link into your web browser: http://fmapps.wsdot.wa.gov/tbase_registration/

Fill in your information, select the class from the menu, then press "Submit." You will receive an e-mail notification with driving directions to the training site when we process your request. If you do not receive this e-mail notification within a day or two, you may not be registered and should contact us by phone. You will be asked for a password when registering. This can be any 3 to 8 alpha and/or numeric characters.

If, at the last minute, you are unable to attend, someone else from your agency may attend in your place. If you have trouble registering on-line or wish to cancel your registration, contact Wendy Schmidt at wst2center@wsdot.wa.gov or schmidw@wsdot.wa.gov or phone (360) 705-7386.
